ABOUT armygrade®

Armygrade Sdn. Bhd. was established in 2019 and initially operated in Puchong, Selangor. The company began by offering strong and reliable autogate systems for homes and businesses.

In December 2022, Armygrade expanded into gate manufacturing to provide complete gate system solutions with improved strength and protection. To support this growth, we relocated to Seri Kembangan in 2023, where we continue to operate with strength and focus.

VISION

Become the most reputable and dominant autogate system provider in Malaysia.

Listed in Malaysian Book Of Record on 13th November 2020 for be the first company that provide rental program for the autogate system in Malaysia.

MISSION

To ensure a better quality of life by offering the best services throughout our security system.

PANIC ALARM SYSTEM

Alarm can be triggered via remote control in case of emergency.

Manually control option is available for added safety.

Loud siren alerts nearby individuals and deters intruders.

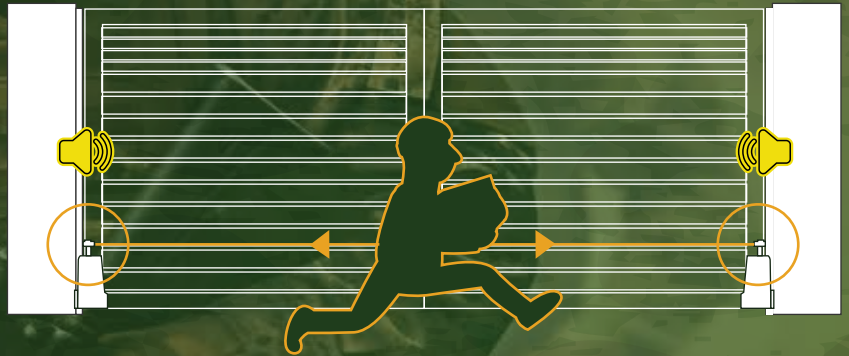

AUTO-CLOSE *DEVICE*

- ⦿ The gate will close automatically after being opened for a preset time.

INTRUDER ALARM *DEVICE*

- ⦿ The alarm will be triggered if an obstacle interrupts the Infrared Safety Beam.
- ⦿ This function can be armed or disarmed using the anti-spy remote control for added security and convenience.

INFRARED DUAL BEAM SAFETY *DEVICE*

- ⦿ Smart infrared beams continuously monitor for safety, reversing the gate when obstacles are detected.

SMART WIFI BUTTON

ARMY DOOR

BUILT TO GUARD. DESIGNED TO LEAD.

SLIDING DOOR *FUNCTION*

Unlike traditional swing doors that require wide clearance and may scratch or damage walls, our sliding door system is designed for compact and modern living. It operates along a sleek track that eliminates collision points — protecting both your door and surrounding surfaces.

This exclusive feature is **engineered by Armygrade**, delivering unmatched convenience and elegance in one system.

SMART SPACE-**SAVING**. SMOOTH **PROTECTION**.
